MAX 43

RACE

Maxim Yachts combines performance and elegance. The MAX 43 Race is a masterpiece designed by artisans for those who seek speed and precision at sea. Its aerodynamic design and high-performance engines ensure an exciting sailing experience. Each MAX is custom-built, offering a yacht that stands out for both its speed and sophistication.

Agile and fast hull, with advanced technology, spacious areas for daytime use, and well-equipped cabins.

BOW OPTIONS

WALK-AROUND

The bow area is designed to offer maximum comfort and versatility. It includes an elegant sofa facing forward, perfect for enjoying the views while sailing. It also features a spacious U-shaped sofa, ideal for relaxing and socializing in groups. Both options provide cozy spaces to enjoy sailing and anchoring.

SOLARIUM

The bow solarium offers a spacious area for sunbathing. This space combines comfort and functionality. It is the perfect place to relax and enjoy the sun.

HARD TOP

The hardtop, made of carbon fiber, is designed to optimize performance and aerodynamics. Its low-profile and streamlined design reduces wind resistance, improving speed and efficiency. This design also provides effective protection against the sun without compromising the boat's sporty profile. The combination of advanced technology and modern aesthetics ensures a fast and comfortable sailing experience.

PILOTING AREA

The piloting area features a suede steering wheel and a carbon fiber dashboard with 11 analog gauges and 2 screens. It includes four helm seats, with the second seat aligned with the steering wheel to provide the best visibility and comfort while sailing.

KITCHEN

The kitchen is strategically located in the central area of the boat, offering a spacious and functional space. Equipped with a ceramic cooktop and a sink, this space makes meal preparation on board easy. Additionally, the kitchen includes 2 large refrigerators, with the option to install up to 5 refrigerators and an ice machine.

Behind the kitchen, you'll find a versatile area with a double table and side seats, ideal for group meals.

MAX 43

OUTBOARD PERFORMANCE ENGINES

With two high-performance engines, the handling is exceptional. The MAX 43 Race offers maximum performance on every journey, providing impressive acceleration and top speed without sacrificing reliability. These engines guarantee a dynamic and efficient sailing experience, perfect for those seeking thrills at sea.

GYROSCOPE

The gyroscope provides more stable and comfortable navigation by reducing the boat's rolling and pitching. It enhances onboard comfort, and minimizes the risk of seasickness, even in rough seas.

PRINCE

INSIDE
MAX 43

The forward cabin is a haven of calm and comfort. With a layout that invites rest, this cozy space is designed to provide a relaxing environment after a day of sailing. The option to convert this bedroom into a relaxation area adds extra versatility, allowing you to enjoy moments of tranquility on board.

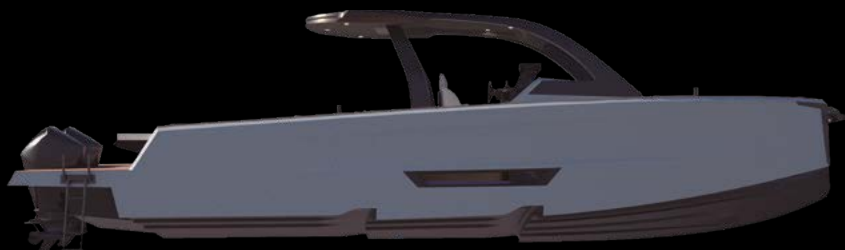

The aft cabin embodies versatility and elegance. This space can be configured as a double bed or transformed into a seating area, adapting to the needs of each journey.

With an elegant design and high-quality finishes, this space ensures an onboard experience that combines luxury and comfort in perfect harmony.

The bathroom is a carefully designed space that offers comfort and luxury during any voyage. Equipped with a full bathroom, it ensures that sailors can enjoy all the necessary amenities onboard. The high-quality materials and modern design not only provide functionality but also add a touch of sophistication to every detail.
